

How to Schedule a Shipment on Waytek's Website

1 Navigate to waytek.commerce.insitesandbox.com

2 Once your cart is ready for checkout, access it by clicking on the cart in the top right corner of the screen.

3

The schedule shipment button will only appear if the order meets the \$500 minimum, and has enough quantity to have multiple shipments.

Shipment Details: 4 - 3/23/2023

- 7 Click the + sign to add a new line to schedule the next shipment date.

The screenshot shows a 'Schedule Shipment' modal window. At the top, it displays product information for 'Eaton's Bussmann Series AMG-125 High Amp Fuse, 125A, 32VDC, Bolt-Down Design' with a price of \$4.4000 / EA and a quantity of 201. Below this, the 'Schedule Shipments' section contains a table with two rows. The first row has a quantity of 100 and a date of 03/22/2023. The second row has a quantity of 0 and a date field with a placeholder 'mm/dd/yyyy'. A red box highlights the '+' icon next to the second row's date field. At the bottom of the modal, there are 'Back' and 'Continue' buttons.

| Qty | Date |
|-----|------------|
| 100 | 03/22/2023 |
| 0 | mm/dd/yyyy |

- 8 Enter the quantity you'd like for the next shipment and the date you for the next shipment.

This screenshot shows the same 'Schedule Shipment' modal window, but now the second row in the 'Schedule Shipments' table is highlighted with a red box. The quantity field for the second row contains the value '1', and the date field contains the placeholder 'mm/dd/yyyy'. The first row remains unchanged with a quantity of 100 and a date of 03/22/2023. The 'Back' and 'Continue' buttons are still visible at the bottom.

| Qty | Date |
|-----|------------|
| 100 | 03/22/2023 |
| 1 | mm/dd/yyyy |

9

Once you have created all your shipments for the product, click on continue at the bottom right of the window. This will take you back to the cart.
